

THABO RASETHABA

PROFILE

As a Software Development student with expertise in Java, Python, SQL, JavaScript, HTML, CSS, and Flutter, I am an adaptable professional eager to secure a role as a Software Developer. My NQF Level 5 education has equipped me with advanced analytical thinking and a deep understanding of software logic. I am motivated to embark on a dynamic career path, continuously enhancing my skills and contributing to innovative projects. Seeking a position where collaboration, innovation, and mutual growth are valued, I aspire to refine my skills, take on challenging projects, and contribute to a collaborative team.

**EMPLOYMENT
HISTORY**

Photographer at Ziyon Vision(Self-employed), Cape Town

January 2015 — Present

- As a self-employed photographer, I have successfully built and managed my own photography business, Ziyon Vision, specializing in portrait, event, and commercial photography.
- Cultivated strong relationships with diverse clients, including individuals, businesses, and events, by understanding their unique needs and delivering high-quality visual content that exceeds expectations.
- In my role as a self-employed photographer, I have honed my artistic and business skills, providing me with a solid foundation for success in any dynamic work environment

General Worker at Lafata Farms, Mokopane

February 2018 — June 2019

- Worked as a General Worker at Lafata Farms, where I performed various tasks to support farm operations.
- Assisted with planting, harvesting and maintaining crops as well as caring for and sale of poultry.
- Operated farm equipment and machinery.

Fibre Sales Consultant at Alisom Enterprise Solutions, Polokwane

June 2019 — July 2020

- As a Fibre Sales Consultant at Alisom Enterprise Solutions, I was responsible for promoting and selling fibre optic products and services to clients.
- Utilized my excellent communication and interpersonal skills to effectively engage with potential customers and showcase the benefits of fibre optic technology.

Fibre Sales Consultant at Real Promotions, Polokwane

June 2022 — August 2022

- Worked as a Fibre Sales Consultant at Real Promotions, where I promoted and sold fibre optic products and services to clients.
- Utilized my excellent communication skills to effectively engage with potential customers, understand their needs, and recommend suitable fibre optic solutions.
- Generated leads and followed up with customers to ensure customer satisfaction and drive sales.

EDUCATION

Bachelor of Film Arts, Open Window Institute, Centurion

January 2013 — December 2017
